# Jewish Congregation of Venice

Created in collaboration with Neil Diamond himself, A BEAUTIFUL NOISE is the uplifting true story of how a kid from Brooklyn became a chart-busting, show-stopping American rock icon. With 120 million albums sold, a catalogue of classics like "America," "Forever in Blue Jeans," and "Sweet Caroline," an induction into the Songwriters and Rock and Roll Halls of Fame, a Grammy® Lifetime Achievement Award, and sold-out concerts around the world that made him bigger than Elvis, Neil Diamond's story was made to shine on Broadway-and head out on the road across America.
